Summer 2015

Dear Friends,

Summer is upon us. This means sunny days, grilling and BBQ's, relaxing days at the beach, and all of your favorite activities for you and your family to enjoy. I'm sure your family's favorite activities include the Department of Community Services and Recreation summer programs and events.

The Department has put together another great season of old favorites. Our Summer Day Camps provide supervised fun for your kids while you're at work. From playground programs, to swim lessons, and even sports camps, the Department has lots of options for you and your family to enjoy this summer.

We are pleased to continue the **"Music Under the Stars"** outdoor concert series again this year. This summer's series will include all of our favorite performers. Be sure to stop by the Green every Tuesday, starting June 9th to enjoy an evening of music with your family and friends.

Our programs fill up quickly, so be sure to register early to guarantee your spot. For further information, call the Department of Community Services & Recreation. (203) 239-5321 ext. 530.

COLLEGE PLANNING WORKSHOP - (Ages 16 years and older)

FEE: \$5.00

DATE: Tuesday, July 28

TIME: 6:30-8:30 p.m.

INSTRUCTOR: Dorothy A. Mautte

Paying for 4 or more years of college can be a staggering task. Thankfully there is help available in the form of financial aid. But applying for financial aid is a complex process involving many important financial planning decisions. Parents and students, left to do the process on their own, will routinely make mistakes costing them thousands, even tens of thousands of dollars per year in reduced aid. Our mission is to ensure that every student will get every dollar to which they are entitled. Additionally, we assist families by designing the most effective ways possible to pay the portion of college costs not covered by financial aid.

VOLUNTEER OPPORTUNITIES (UNIFIED SPORTS) - (Ages 16 years and older)

Unified Sports is a program that combines approximately equal numbers of individuals with and without intellectual disabilities on the same sport team for training and competition. Unified Sports is an important program because it expands sports opportunities for athletes and volunteers wanting to seek new challenges. In addition, Unified Sports helps break down barriers that have historically kept people apart.

Teams are constructed in such a way as to provide training and competition opportunities that meaningfully challenge all athletes. These opportunities often lead to improved sports skills, higher self-esteem, equal status with peers and new friendships.
